

Summer Intern 2022

WHAT IS A SUMMER INTERN?

The intern program was started to offer young adults the opportunity to work with Advent Youth Ministry for the summer so they could gain experience and skills, especially in working with students. Summer interns have been immeasurably valuable to the work of the church and the ministry to youth at Advent. A summer intern will learn, practice, and experience what goes into running a youth ministry as they get practical, hands-on experience that will benefit them in many areas of life.
